JOAQUIN SANCHEZ

Software Developer

joaquin.sannchez.80@gmail.com • 2604346545 • San Rafael - Mendoza

SUMMARY

I am a student of the Higher Technical Degree in Software Development, with previous studies as a Chemical Technician. I am a responsible and committed person, always willing to learn and work in different environments. I would like to gain work experience and apply my knowledge in general, technical, or administrative tasks.

EXPERIENCE

Waiter and Kitchen Assistant   **January 2022 - February 2022**
Altos del Nihuil Restaurant   *Ruta prov 180 km20, M5605 El Nihuil, Mendoza*
I started working as a kitchen assistant and was later assigned to the position of waiter. I participated in customer service, table assistance, and general restaurant duties.

Dishwasher / Kitchen Assistant   **2023 and 2024 Seasons**
La Fábrica Bar   *El Nihuil, San Rafael*
I helped in the kitchen area, cleaning, maintenance, and general service in a bar and restaurant with high customer activity.

Operator   **2022 Seasons**
Frutagro S.A.   *San Rafael*
I performed packaging, quality control, and teamwork tasks in the fruit production line.

EDUCATION

IES 9-012 San Rafael en Informática   **March 2023 - to Present**
Higher Technical Degree in Software Development   *Gral. Wenceslao Paunero 1124, M5600 San Rafael, Mendoza*
Program focused on software analysis, design, and development, including databases, networks, and project management. Emphasis on solving technical problems and applying technology to real situations.

ESC. N° 4-044 "Ing. Florencio B. Casale"   **March 2016 - December 2021**
Chemical Technician   *Ruta 180 S/N - El Nihuil - San Rafael*
Technical secondary education with knowledge in laboratory work, quality control, and industrial production processes.
